PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on December 4, 2024.

On February 1, 2024, the offender's conditions of supervised release were reviewed by the probation officer and he signed said conditions acknowledging he understood his requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

6

Special Condition #15: Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 15 by ingesting a controlled substance, methamphetamine, on or about December 16, 2024.

On December 16, 2024, Mr. Pesina submitted a urine specimen at the U.S. Probation Office that was presumptive positive for methamphetamine. At that time, he signed an admission form acknowledging use of said substance. It should be noted, the above-referenced specimen appeared to be dilute.
